

# CHAD BAUMWART, DVM, DACVS

## Highland Veterinary Clinic, Arapaho, Oklahoma

---

Dr. Chad Baumwart was born and raised in Oklahoma. He grew up riding horses on the farm, and enjoys pleasure riding especially in Colorado Rocky Mountains. Dr. Baumwart comes from a family of veterinarians. His father owns Highland Veterinary Clinic, a mixed animal practice in western Oklahoma. His brother is a veterinary cardiologist and his sister is a small animal emergency veterinarian that is currently volunteering with a Christian relief organization providing animal care in Indonesia.

Dr. Baumwart received his DVM degree from Oklahoma State University's College of Veterinary Medicine. After veterinary school Dr. Baumwart at the University of Guelph in Canada and worked at the Littleton Large Animal Clinic, Littleton, Colorado. While at Guelph, Dr. Baumwart realized he wanted to continue his education and become a board certified surgeon, which requires an additional three years of school. Dr. Baumwart performed his surgery residency at the University of Tennessee. After completing the residency, he worked as a board certified equine surgeon in Elgin, TX, Edmond, OK, and Tallahassee, FL. Dr. Baumwart's special interest include sports medicine, arthroscopic surgery, upper airway surgery, dentistry, and laparoscopic surgery.

While in Oklahoma working on a dressage horse, Dr. Baumwart met his future bride, April. They were married March 1, 2014. April and Dr. Baumwart share two big passions, horses and classic cars. April's horse Platinum, is a 18.2 hand Percheron and Chad's horse Aspen. April has a 72 Skylark and Dr. Baumwart has a 48 Chrysler Windsor he and his brother inherited from their grandfather.

Dr. Baumwart has had extensive training and completed his board exams making him a Diplomat of the American College Veterinary Surgeons (DACVS) in both equine and food animal species. Dr. Baumwart is excited to be back where he was born and raised. 😊
